

About Allen Home Care

Allen Home Care Services has been providing outstanding health care to people of all ages in their Heartland homes since 1985.

Our staff of dedicated professionals has worked hard to build our reputation of uncompromising quality and service at competitive rates. We also cut through the red tape of insurance billing.

You demand—and deserve—the best in care where your health is concerned. Tell your physician, other health care professional or insurance company you want quality, home-based care from Allen Home Care Services.

So many of their other patients choose us, they will already know how to refer you to us!

Private Duty Nursing

Neighbors helping neighbors with professional care and respect.

A Full Range Of Home Care Services Provided With You In Mind.

Locally owned and operated since 1985.

Private Duty Nursing By Professional Nurses Who Are Fully Bonded & Insured

Allen Home Care Services has a highly skilled, multi-disciplinary team that can perform *continuous* services up to 24-hours per day, 7 days per week, 365 days a year. These services can be provided virtually anywhere including the home, hospital or skilled nursing facility.

Our staff includes Registered Nurses, Licensed Practical Nurses, Certified Nurse Aides and Personal Care Aids. The type of nurse dispatched is determined by the patient's needs; a combination of the above may be used to professionally and adequately care for the individual. We work as a team with the family, the physician and other health care professionals to coordinate and implement a total private duty nursing program.

We provide or can arrange for:

- Routine care such wound care, colostomy care, medication management, injections and vital signs check
- High-technology services such as IV therapy, enteral nutrition, total parenteral nutrition and chemotherapy
- Venipuncture for blood tests
- Ventilator and tracheostomy care
- Care of the terminally ill
- High risk pregnancy and infant care
- Pediatric care including ventilators and tracheostomies
- HIV/AIDS care
- Nutritional counseling
- Assistance with activities of daily living
- Arrange for durable medical equipment, routine supplies and pharmaceuticals
- Patient advocacy through our *PALS* program

How Can I Receive Quality Care From Allen Home Care Services?

For insurance coverage, your doctor will write an order for either Private Duty or Home Health Nursing. If you are paying the bill yourself, no physician order is needed. Tell your doctor you want home care from **Allen Home Care Services**.

You always have freedom of choice with your home health provider! After your hospital stay, *you do not have to receive home health or private duty nursing from the hospital's own home nursing service*. When asked which provider you wish to use, say, **Allen Home Care Services**.

How Do I Pay For Services From Allen Home Care Services?

Check with your health care coverage (insurance, HMO, etc.) to see if your plan includes Private Duty or Home Health Nursing coverage. If covered, we will bill them for you. Medicare and Medicaid also pays for certain home health care services. We are expert at knowing what is covered and will be happy to bill them for you.

If you need Private Duty or Home Health Nursing and do not have coverage, we accept most major credit cards.
